Shadowland #3

Bill-E

The first two issues of Shadowland had some promising aspects that I enjoyed. Despite harsh criticism, I stood by Andy Diggle knowing his potential and past accomplishments. Issue three just shattered all hope. This issue gave us more details of the “shocking” twist that Daredevil is possessed by “the Beast.” So, Hal Jordan is influenced by this creature to fight the rest of the Green

Lanterns...oh sorry wrong story, or is it? The fact that it's been pushed that Matt Murdock will no longer be guardian of Hell's Kitchen after Shadowland. With that said, I just don't get why Marvel just won't let a hero fall from grace on his own accord. Being possessed by a creature of another realm I feel is just a cop out at this stage. A wag of the finger to you Mr. Diggle. 3.5 out of 10.
